---

**LANGUAGES**      **Fluent English, French, and Mandarin**

---

**EDUCATION**      **Bachelor of Fine Arts**      SEP13 - MAY17

*Mel Hoppenheim School of Cinema, Concordia University, Montreal, Canada*

- Major in Film Animation, graduated with distinction
  - CGPA: 3.49/4.30
- 

**2D / 3D ANIMATION**      Trained with a variety of tools and software to perform character design, create storyboards, and independently complete animation productions.

- Used **Maya** to create 3D models of environments, props, and characters.
  - Prepared UV sets and created animations.
  - Used **Mudbox** to add textures to 3D models.
  - Completed several traditional hand drawn frame by frame 2D animations by using **TVPaint, Premiere Pro, After Effects, Photoshop, and Toon Boom Studio.**
- 

**STOP-MOTION ANIMATION**

- Prepared aluminum wire and ball-and-socket armatures.
- Added volume and sculpted the puppets by applying Monster Clay.
- Used various materials to construct puppets, such as clay, cotton, foam, and foam latex.
- Used **Dragonframe** to shoot stop-motion animations.

---

**CINEMATIC STORYTELLING**

- Proficient with the cinematic language.
- Familiar with the camera positioning: told stories and successfully expressed appropriate feelings to the audience by applying different angles, levels of height, and framing.

---
